Healthy Abingdon is planning to set up a Junior Parkrun in South Abingdon.

These runs will take place on Sunday mornings starting at 9 am. We need volunteers to help, which means you will normally be needed from 8:40 to 9:40 each Sunday. Training will be given.

The runs are for children from 4 to 14 years and are over a 2 km course. You can find more about Parkruns from their web site: parkrun.org.uk.

It will take us a few months to set everything up for our first run.

Please contact us if you think you can help.

We are grateful for the help we are receiving from the Parkrun organization and the Vale of White Horse Active Communities team.
